

Millcreek-Richland Joint Authority Meeting Minutes
January 6, 2020

Millcreek-Richland Joint Authority Meeting of January 6, 2020 was brought to order by John Wolgemuth

Present: John Wolgemuth, Rebecca Schnoke, Jan Klaus, Hubert Risser, Lucas Blakeslee, Maybelle Morgan.

Secretary Report: A motion was made to accept secretary's report by Hubert Risser and seconded by Jan Klaus all in favor.

Treasurer's Report: A motion was made to accept all bills marked with an asterisk by John Wolgemuth, seconded by Jan Klaus, all in favor. A motion was made to accept treasurer's report by John Wolgemuth and seconded by Jan Klaus, all in favor.

Jan Klaus reported:

1) On Dec. 6, 2019 Joe was here and found a broken pin in check valve. Joe had talked about replacing that valve which would cost \$4400, but when Justin was here he climbed down and turned it shut and said it was okay and to let it go.

2) On Dec. 16, 2019 Justin and Jan unclogged a line at Cardinal Run that was clogged with grease, Jan advised the property owner about not putting grease down the drain.

3) On Dec. 23, 2019 air valve brook off, they cleaned it out and called DEP, ordered parts and will replace.

4) On January 3, 2020 DEP came and wanted to inspect, so Jan took them over to inspect and all is good.

5) On Dec. 30, 2019 Joe was here and they replaced switches that were bad

6) On Jan 4, 2020 Nate couldn't find the lines at Sheridan for a PA1 call, so Jan went with him and he also couldn't find where they were, so they called Glenn Eberly with Womelsdorf-Robeson Water and he advised for them to put a "?" in the vicinity and he will know we couldn't find lines.

7) Gas monitor was repaired all is good with that.

8) Noticed there is an oil leak on the Jetter, will take out to Binkley & Hurst and see if they can repair.

Mike Kreiser gave a verbal report for the month of December 2019 a copy of report is attached. Mike advised they were getting a lot of alarms since Thanksgiving for Pump Station #2. Advised two pumps are running and then they get notified. For the time Justin made pump #1 the lead, but still do not know why this is happening. Also Justin had a call today from A.H Moyer wanting to know where to put lateral at 304 N. Race. It was discussed and found out to be 304 S Race St. Jan also asked since they had the problem with the air release valve he wanted to know it him and Justin could check out the others three and make sure they are okay.

Elvin Hurst, Ash Rd project has manhole and is hooked up, but it was not inspected and a sewer permit was never processed.

Dan Hershey – No updates. Chapter 94 reports will be coming due.

Tom Harlan – Absent

Correspondence - None

Delinquents - reviewed no questions.

A motion was made by Hubert Risser to adjourn, seconded by Lucas Blakeslee, all in favor.

Respectfully submitted by
Secretary, Maybelle Morgan
